

Criteria for an OST approval

1. Does this class/program already exist at the respective college?

2. Do you foresee this training as having a significant impact on their program, how significant of a regional impact will this have?
 - Can new staff attend conferences or training out of state? Yes, if additional information is needed, then the project monitor will request it from the grantee.
 - Link to the conferences attending
 - Agendas or training objectives
 - Please be specific, detailed not broad with your answers- don't assume the reader has the same knowledge as you
